1 Selection process of the Supervisory Board Members 3

2 Supervisory Board of the network: representatives list 4

1 Selection process of the Supervisory Board Members

The application stated the following: *“The SB will comprise one representative of all beneficiaries and partner institutions as permanent members, one representative from the European Commission and one ESR elected annually.”*

Representatives of the beneficiaries and partner organisations:

The coordinator, AAU, asked the contact persons of the beneficiaries and partner organisations to provide the name of their institution representative to the Supervisory Board.

Representative of the ESRs:

The ESR representative will be elected annually by its peers (the other ESRs). It is foreseen that the election will take place during:

- The kick-off meeting (M11) for Year 1
- The Project Meeting 2 (M21) for Year 2
- The Project Meeting 4 (M32) for Year 3

Representative from the European Commission:

It was agreed with the Project Officer that he would not participate to the Supervisory Board. He will participate as a minimum to the mid-term check meeting.

Further information about the Supervisory Board can be found in the Consortium Agreement.

2 Supervisory Board of the network: representatives list

Representatives list of the Supervisory Board (list valid on February 28, 2019).
